High Level Process for Six Monthly Needs Analysis

STEP 1: Trainee Login to LTS

1. Login to LTSystems.co.za with your Username and Password
2. This will navigate to the Home Page

The screenshot displays the LTS Learner Home interface. At the top, there is a navigation bar with the LTS logo and links for HOME, FEATURES, PRICING, FAQ, ABOUT, NEWS, CONTACT, and SIGN UP. A red arrow labeled '1' points to the LOGIN button in the top right corner of the login form.

Below the navigation bar, the page is divided into two main sections. On the left is a sidebar with a 'Registered Users' section containing links for Trainee Home, Edit your details, and Documents. Below this is a 'Technical Support' section and a 'User Logon' section with a 'Select Profile:' dropdown menu set to 'Trainee' and a 'Continue' button. At the bottom of the sidebar is an 'Upcoming' section with a 'Resilience' link.

The main content area on the right is titled 'LTS Learner Home' and contains several sections:

- NEWS**: A section stating 'There are no firm news entries today.'
- DAYS SINCE LAST**: A table showing the status of documents (SR, 6NA) and their completion dates.
- OPEN ITEMS**: A section showing 'No Open SR's' and 'No Open 6NA's'.
- SKILL REVIEWS / 6NA'S / STATUS REPORT / FINAL NA**: A section with links to 'Link to Skill Review', 'Link to 6NA's' (highlighted with a red arrow labeled '2'), 'Status Report', 'Last 6NA', 'Training Office Defined Expected Levels', 'Competence Report for ACCA Objectives 2023 According to Period : Current 6NA or Final 6NA', and 'Completed SR CSV Export'.

Six Monthly Needs Analysis for Thato Trainee

SECTION 2: SELF-EVALUATION

Even though this section is mainly concerned with self-evaluation by the trainee, the Authorised Supervisor should review each section, and provide input where necessary.

Major assignments for the next six month period

- Document major assignments that you have been scheduled to undertake during the next six month period. Provide details of expected tasks and responsibilities on these assignments.

Note: The Authorised Supervisor should take care to ensure that repetition of previously demonstrated competencies is avoided as far as possible and that progressive responsibility is achieved. This point should be discussed with the trainee in the context of his level in the training period and in the context of work assignments previously completed (and the degree to which competency has been demonstrated therein).

SECTION 2: SELF-EVALUATION

Even though this section is mainly concerned with self-evaluation by the trainee, the Authorised Supervisor should review each section, and provide input where necessary.

Academic record

- If relevant, document the state of your academic progress during this six month period. This should include details such as test results to date (where applicable), weekly time spent on studies and the status of your studies (are you on track to pass or not?). In the case of aspects of this record that point to unsatisfactory progress (poor test scores, insufficient time spent on studies or reduced chances of success in exams), you should describe in detail how you plan to address those problem areas.

If relevant, document the state of your academic progress during this six month period. This should include details such as test results to date (where applicable), weekly time spent on studies and the status of your studies (are you on track to pass or not?).

Note: The Authorised Supervisor should review the status of the trainee's studies and discuss any required action to ensure exam success. Where appropriate, required action should be transferred to Section 3 (2) of this document. The training officer should insist on receiving all test dates at the beginning of each academic year and should ensure that results are obtained from the trainee for every assigned test or examination.

SECTION 2: RECORD OF SUPPLEMENTARY TRAINING

The trainee must summarise all courses (both internal and external) attended during the preceding six-month period. He should document the learning objectives set for each course and then demonstrate specifically how he applied this learning in the workplace. Where he has not been able to transfer elements of learning into the workplace with success, the trainee should document plans to achieve this. This may need to be discussed with the Evaluator prior to finalisation of the developmental plan.
