4. Sign Off Six Monthly Needs Analysis (6NA)

High Level Process for Six Monthly Needs Analysis (6NA)

STEP 1: Login to LTS and review Six Monthly Needs Analysis

1. Login to www.LTSystems.co.za with your assigned **USERNAME & PASSWORD**
2. Review the assigned **Six Monthly Needs Analysis** by clicking on the hyperlink

The screenshot shows the LTS Learner Home interface. At the top, there is a navigation bar with the LTS logo, a 'Forgot your Password?' link, and login fields for 'username' (ACCA_Test2) and 'password' (masked with dots). A red arrow labeled '1' points to the 'LOGIN' button. Below the navigation bar, there is a sidebar with links for 'Registered Users' (Trainee Home, Edit your details, Documents), 'Technical Support', and 'User Logon' (Select Profile: Trainee, Continue). The main content area is titled 'LTS Learner Home' and contains several sections: 'NEWS' (no news today), 'DAYS SINCE LAST' (a table with 4 columns: Document, Initiated, Worked On(In Progress), Finalised), and 'OPEN ITEMS' (No Open SR's). A red arrow labeled '2' points to a hyperlink in the 'OPEN ITEMS' section: 'SMNA 1/6 Started: 14 October 2024 - (2023/01/01 - 2023/06/30) (Manager, Thato) (Test, Obed)'. A green callout box points to the 'Print' link next to this entry, stating 'PRINT hyperlink to view detail 6NA report'.

SECTION 2: SELF-EVALUATION

Even though this section is mainly concerned with self-evaluation by the trainee, the Authorised Supervisor should review each section, and provide input where necessary.

Major assignments for the next six month period

- Document major assignments that you have been scheduled to undertake during the next six month period. Provide details of expected tasks and responsibilities on these assignments.

Note: The Authorised Supervisor should take care to ensure that repetition of previously demonstrated competencies is avoided as far as possible and that progressive responsibility is achieved. This point should be discussed with the trainee in the context of his level in the training period and in the context of work assignments previously completed (and the degree to which competency has been demonstrated therein).

Authorised Supervisor Comments

The Authorised Supervisor should take care to ensure that repetition of previously demonstrated competencies is avoided as far as possible and that progressive responsibility is achieved.

SECTION 2: SELF-EVALUATION

Even though this section is mainly concerned with self-evaluation by the trainee, the Authorised Supervisor should review each section, and provide input where necessary.

Academic record

- If relevant, document the state of your academic progress during this six-month period. This should include details such as test results to date (where applicable), weekly time spent on studies and the status of your studies (are you on track to pass or not?). In the case of aspects of this record that point to unsatisfactory progress (poor test scores, insufficient time spent on studies or reduced chances of success in exams), you should describe in detail how you plan to address those problem areas.

If relevant, document the state of your academic progress during this six month period. This should include details such as test results to date (where applicable), weekly time spent on studies and the status of your studies (are you on track to pass or not?).

Note: The Authorised Supervisor should review the status of the trainee's studies and discuss any required action to ensure exam success. Where appropriate, required action should be transferred to Section 3 (2) of this document. The training officer should insist on receiving all test dates at the beginning of each academic year and should ensure that results are obtained from the trainee for every assigned test or examination.

Authorised Supervisor Comments

he Authorised Supervisor should review the status of the trainee's studies and discuss any required action to ensure exam success. Where appropriate, required action should be transferred to Section 3 (2) of this document.

UNIT AQ1 - PREPARE FOR AND PLAN THE AUDIT PROCESS

Client Description : ABC Company Test 01

Elements : AU3 - Evaluate the risk within an organisation's internal control structure
• Test and evaluate the adequacy of the accounting system as the basis for the preparation of financial statements including evaluating the IT environment
• Evaluate corporate governance structures and risk assessment processes
• Design and carry out tests of internal controls

2024/10/01

Statement : As a trainee, I successfully contributed to high-risk audits by supporting thorough risk assessments, ensuring compliance with audit standards, and assisting in the preparation of comprehensive reports, while enhancing my technical and analytical skills.

Overall statement of achievement : 
(ACCA can only consider client specific examples where the member has worked or been personally involved. Please use the STAR format to enter statement.
** STAR = Situation, Task, Action, Result.)

As a trainee, I successfully contributed to high-risk audits by supporting thorough risk assessments, ensuring compliance with audit standards, and assisting in the preparation of comprehensive reports, while enhancing my technical and analytical skills.

PRINCIPAL REVIEW

Summary of work performance in the period, including strengths, areas for development and any new work experience :

Overall, the trainee has made significant progress during this period, with clear areas for future development that will help them continue to grow in their role.

Evaluation of performance against targets set at previous review :

The trainee has made commendable progress on the targets set during the previous review. While they have fully met some of the objectives, there are areas—especially risk analysis and communication—where continued improvement is recommended to ensure full target achievement in future evaluations.

Identified future experience and development needs :

he trainee has shown significant progress, and with further experience in these key areas, they will be better equipped to handle more complex responsibilities and advance in their role. Developing these skills and gaining broader exposure will position the trainee for future success in the audit field.

Performance targets for the next period :

Performance targets for the next period

Principal comments (to be completed only if your review has been carried out by an Authorised Supervisor) :

I support the trainee's development needs identified, such as exposure to more complex audits, leadership opportunities, and training in data analytics. These experiences will help them grow professionally and prepare them for more senior roles in the future.
